Targi Kielce
exhibition & congress centre

Announcement

The Targi Kielce SA Management Board informs that all sanitary procedures recommended by the Chief Sanitary Inspector have been duly adopted and implemented during all exhibitions organised in Targi Kielce Exhibition and Congress Centre. The necessary preventive measures designed to counteract the COVID-19 coronavirus spread include multiple surface, handrails, door handles and mirrors cleaning, as well as provision of protective masks and disinfectant liquid dispensers. A medical unit with a General Practitioner on duty is available for all expo participants and guests for the whole duration of the events. In addition, Targi Kielce observes the World Health Organization (WHO) up-to-date communication and alerts.

The Targi Kielce SA Management Board also confirms that all expo stands of companies from China, Hong Kong, Singapore and Korea which are a part of the 23rd International Power Industry Fair ENEX, the 18th Fair of Renewable Sources of Energy ENEX and the 21st EKOTECH Fair of Environmental Protection and Waste Management are manned by representatives of European branches / divisions of these companies. In response to the inquiries regarding Italian companies' presence, we hereby inform that Italian companies do not participate in the this year's events.
