Exhibition of Papal Madonnas - REGINA POLONIAE

Visitors will have a unique opportunity to see images of coronated Madonna icons on papal authority in Poland — representations deeply rooted in the spiritual tradition and history of the Church. The works have been created by artists united in the "Lumen" group — members of the Christian Association of Sacred Art Creators ECCLESIA. Each piece is not only an expression of artistic mastery but also a testament to faith and spiritual reflection.

The exhibition "REGINA POLONIAE" is a special way to commemorate the pontificates of two great popes and to pay homage to the Mother of God — as the one who continually accompanies the Church.
