**Targi Kielce Industrial Autumn returns to its traditional time. The METAL expo is normally held in a two-year cycle. The show returns to its regular date in 2022 so that its date does not coincide with the GIFA fair in Dusseldorf held in 2023. Due to the COVID pandemic, the METAL 2020 was postponed and held in 2021.**

## **THIS IS THE EVENT TO TAKE PART IN!**

- The International Fair of Technologies for Foundry METAL is one of the globe's most crucial foundry business events. METAL is must-have in the calendars of leading manufacturers and distributors of equipment for foundries.
- Not only is the expo a perfect chance to become familiar with a wide range of products crafted for the foundry business, prosper for lead and new customers. The expo is also an ideal opportunity to meet foundry business insiders from all corners of the world.
- The Industrial Autumn's huge educational potential is also worth appreciating - the show offers an excellent opportunity to participate in numerous industry meetings and exchange experiences with specialists from around the world.

## **METAL 2021 BUSINESS OVERSHADOWED BY THE PANDEMIC**

Despite the unfavourable, pandemic-ridden circumstances, the METAL 2021 turned out to be a success. The exhibition, which also included companies from the metal-working sector, occupied all seven exhibition halls, which hosted over 10,000 guests from all corners of the world. More than 150 companies from 14 countries marked their presence at the expo; Poland, Austria, Czech Republic, Denmark, Germany, France, Italy, Slovakia, Slovenia, Great Britain, Switzerland, India, Japan and the United States were all represented at the trade fair. The last edition's

exhibitors' list, also included well-known and respected global brands, such as: METALS MINERALS, GUSS-EX, FOUNDRY PARTNER, DISA (Denmark), WHEELABRATOR (Denmark), Magaldi Power SpA, AGRATI AEE Srl, AICHELIN Holding GmbH, CALDERYS Refractory Solutions, COLOSIO SRL, EKW GmbH, PLASTMET Poland, ECOCER (Italy), GEMCO, HERAEUS ELECTRO-NITE POLSKA, CAST METAL, NORGPOL, AGRATI, KPR-PROBLEW, PROMET, FERRUS, BARABASZ, KOM-ODLEW, IDRA and many, many more.

## TARGET

We welcome all companies representing the broadly defined foundry business; this expo has been crafted for you. The International Fair of Technologies for Foundry offer is complemented with numerous accompanying exhibitions and fringe events. The expo cluster also includes HEAT TREATMENT, International Fair of Aluminium & Technology, Materials and Non-Ferrous Metal Products ALUMINUM&NONFERMET and the Recycling Fair - Recycling of Non-Ferrous Metal Fair. This communication is an early bird invitation for you - join us to co-create this unique event.

## BEST OF THE BEST

The gala awarding ceremony is an inseparable element of each „Industrial Autumn”; the best products showcased during the exhibition are bestowed accolades. The products and services selected by the business-insiders jury panel are of high quality and reliability.

**We look forward to seeing you from 20 to 22 September 2022.**
