KIELCE IFRE-EXPO is back

The International Fire Protection & Rescue Exhibition KIELCE IFRE-EXPO will be held from 15 to 17 June 2023; we look forward to seeing you in Targi Kielce.

The previous fire protection industry expos' success only confirmed that Targi Kielce Exhibition and Congress Centre is the best place for equipment manufacturers, technology companies and fire brigade units to meet and do business. The sector's most prominent companies presented the latest specialist equipment and appliances. High exhibitors attendance, prestigious offers on display at the expo - this is the exhibitors' feedback after the show. The KIELCE IFRE-EXPO is targeted at the State Fire Service units and members of the Volunteer Fire Brigades and similar services.

Why joining IFRE-EXPO?

- Targi Kielce's IFRE-Expo is an international event which brings together industry-insiders of fire protection and rescue services business-sector
- The expo is an important platform for meetings, discussions, exchange of opinions and experiences. This is where present-day and prospective clients meet companies
- The industry meeting of leading manufacturers and service providers from fire-fighting and fire-protection as well as occupational health and safety business sectors with supervision institutions and bodies - this offers an excellent opportunity to become acquainted with the latest developments, laws and regulations and technological innovations
- The expo programme is complemented with meetings for experts and industry insiders who boast hands-on experience
- The expos offer opportunity to present companies' offer in static and dynamic form. This is also an excellent opportunity to promote new products, establish in-depth dialogue and exchange of opinions
- The expo enjoys the support of business-sector related institutions and personages
- The expo hosts decision-makers responsible for equipment procurement for the state and volunteer fire-services
- The trade show is organised by an experienced team of professionals
- The expo programme is accompanied with an extensive program of supplementary and fringe events (seminars, conferences, trainings). Industry professionals are the meetings keynote speakers and experts - this gives the opportunity to become familiar with today's market's situation
