What makes MyTexStyle unique?

- our trade fair is a hub for entering the EU market
- international buyers
- the wide range of sewing machines in the Machinery Zone
- the knowledge zone covering
 - » material recycling, green production
 - » textile business development advisory
 - » innovations
- the special presentation zone for sewing shops and young, innovative companies
- the Hosted Buyers program ensuring ideal conditions for talk--shop sessions

FUTURE TexStyle congress

The exhibition will be accompanied by the FUTURE TexStyle congress

Three days and three thematic conferences:

- **1. Green TexStyle** material recycling, ecological solutions, ESG
- **2.** Business TexStyle how to run and develop a textile industry business
- **3. Innovation TexStyle** innovative solutions and ideas, future trends

My TexStyle Fashion Show

A three-day fashion show featuring presentations of the latest collections from our exhibitors and the work of designers who will design and sew clothing live using materials provided by the exhibitors!

You can submit your products for participation, including machines for the sewing zone created specifically for the show.

Targi Kielce – a guarantee of effective business cooperation

- For 30 years, we have specialised in international B2B meetings for various industries
- Our expos are enhanced with extensive media coverage. Exhibitors enjoy comfortable work-setting to present a wealth of products
- We promote our exhibitors not only during expos but also before and after each show
- We organise over 70 expos and almost
 400 conferences, congresses
 and training sessions a year

Kielce Trade Fairs rank second among exhibition and conference centers in Central and Eastern Europe.

Our complex consists of 7 functional exhibition halls, a modern congress centre, and a multi-level parking lot.

Sounds interesting? We are waiting for your contact.
