## the premier defence industry exhibition in Central and Eastern Europe!

For over 30 years, the International Defence Industry Exhibition (MSPO) has been the key meeting point for global defence leaders. It's where strategic business relationships are forged and multi-million-euro contracts are signed

At the last edition, **769** companies from **34** countries presented their innovations, the trade fair was visited by **28,000** business visitors, **65** delegations from **47** countries, and **600** journalists from **18** countries. This year, the exhibition will be even bigger!

**Save the date: 2-5.09.2025**

## Europe's defence industry must strengthen cooperation – MSPO is the perfect place to:

### Connect with Global Defence Industry Leaders

Network with top companies, government officials, defence ministers, military commanders, and international embassy delegations from around the world.

### Take advantage of Poland's Growing Defence Investments

Given its geopolitical position, Poland is set to increase its defence spending in the coming years. Meet over 400 Polish exhibitors and explore valuable partnership opportunities with European manufacturers.

### Gain Knowledge and Exchange Expertise

Leverage MSPO as a powerful platform to foster collaboration among European nations!

## A World-Class Venue for Defence & Security Events

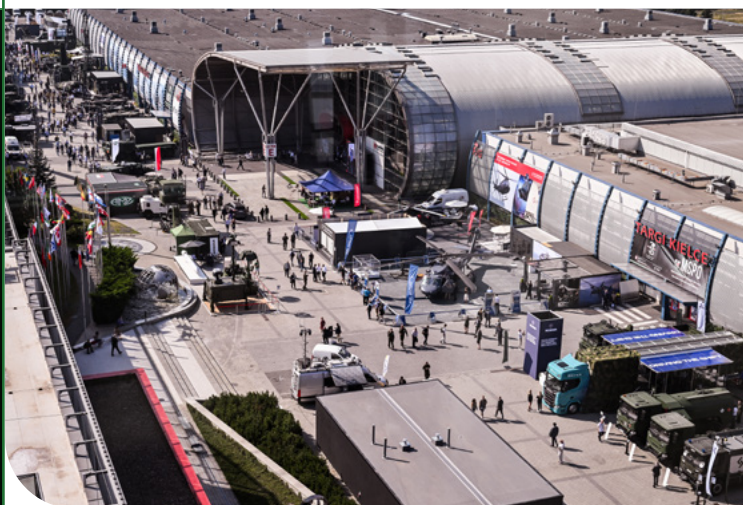

As one of the leading two exhibition centres in Central Europe, with 30 years of industry expertise, we host dozens of renowned events each year. We specialise in B2B exhibitions, organising 40 prestigious trade fairs and over 300 conferences annually.

For uniformed services, we organise not only the International Defence Industry Exhibition but also the POLSECURE Fair for the Police and Border Guard, as well as the IFRE Fire and Rescue Equipment Trade Fair.

Located in Kielce – the capital of the Central Industrial District established in the 1930s, where the majority of Polish defence industry companies are based – we are uniquely positioned at the heart of Poland's defence sector.

## Kielce Fair is easy to reach from key international destinations

- Just **a few hours' drive from several European** capitals: 7h from Berlin, 6h from Prague, 6h from Vienna, 5.5h from Bratislava.
- **Direct access via expressways** connecting key Polish cities.
- **7 international airports** up to a 2-hour drive.

**MSPO** is the ultimate platform to strengthen international security partnerships and discover the latest defence innovations. **Will you be there?**
