

**Natural Baby Care** is a Polish brand of **natural cosmetics** for children, created by parents for parents. The offer includes highly natural products for the care of children **from 1 day of life**. The cosmetics are approved by dermatologists and recommended by pediatricians. The products have **no perfumes**, are **suitable for vegan** (certified by **Vegan Society**), have **min. 97% natural ingredients** (certified by **Ecocert**) and work well for the most demanding baby skin. Packaging and labels are made of **recycled materials**. Natural Baby Care's mission is not only to provide **high-quality, organic products** that are in harmony with the planet and nature, but also to share **awareness and educate** mothers on how to responsibly choose products for their baby.

# Feedback from our customers

★★★★★  
"We use these cosmetics with our youngest son and I am very satisfied :)"  
Ania Br.

★★★★★  
"The cosmetics are great. We are pleasantly surprised. At first only Antek used it, and when Amelka was born, she did too :)"  
Grabowska Pe.

★★★★★  
"The shampoo is gentle and delicate + non-irritating fragrance. It lathers well and washes children's hair and mine. 🤔  
It is efficient."  
Wiola
