ABOUT OUR COMPANY

The EGA company has been a trusted companion for parents and their children since 1998. Our products – tetra and flannel diapers – can be found in almost every baby essentials list.

At EGA, product safety is our top priority, as confirmed by relevant certificates.

We invite you to explore our range of products, including not only tetra, flannel, and bamboo diapers, but also baby wraps, oilcloths, muslin swaddles, blankets, bath covers, and handkerchiefs

WHY CHOOSE US?

- 01 Convenient shopping on the B2B platform around the clock!
- 02 Largest selection of tetra and flannel patterns available.
- 03 Facilities allowing for the implementation of thousands of orders.
- 04 Possibility to personalize products for an additional fee.

WHAT DO YOU NEED TO KNOW?

- The prices on the B2B platform are basic prices. For orders over PLN 1,000 net, there is a favorable discount system - with us, you decide how much you will pay!
- If you want, you can use our photos - we provide our clients with a database of professional photos that can be downloaded from the Google album.
- The prices on the website are for standard products. Any changes such as changing the number of diapers, changing patterns, other packaging methods, etc. require the production line to be moved and are additionally payable.
