MASS #217

Made of a top-quality, breathable, lightweight and durable fabric, the SANTI Maritime Assault Suit System (MASS) model #217 offers excellent functionality and comfort in all operational conditions. Designed and made to conduct any activities in a maritime environment, the suit offers a number of unique options to customize it to meet mission requirements. The suit is recommended for all types of tactical units and services. Thanks to its design the suit enables complete integration with additional tactical equipment e.g. body armour, headwear and hand/foot wear.

Equipped in standard with:

- plastic zipper with protection flap
- front relief zipper covered by velcro flap
- neck seal made of neoprene with neopren warmer
- neoprene wrist seals
- neoprene socks
- welt on inner back and thigh
- Kevlar patches on knees, elbows and buttocks
- arm zipped pockets, with small zipped pocket on flap
- thigh zipped pockets, with flap;
- oral valve on forearm, covered by a Velcro flap
- inside suspenders with handy pocket
- splash-proof bag
