## MASS #203

---

Made of a top-quality, breathable, lightweight and durable fabric, the SANTI Maritime Assault Suit System (MASS) model #203 offers excellent functionality and comfort in all operational conditions. Designed and made to conduct any tactical activities, the suit offers a number of unique options to customize it to meet mission requirements. Thanks to design and material used, the suit offers the possibility of a stealthy approach and silent action [exits from the water, boarding].

Equipped in standard with:

- plastic zip covered by an additional flap (black colour on both sides)
- black stitching
- front relief zipper covered by an additional flap (black colour on both sides)
- without external logos
- neck seal made of Latex
- Latex wrist seals
- Neoprene socks
- Melco® pads on knees, elbows and buttocks
- inside black suspenders
- neoprene warmer with drainage
- two pockets on leg with drainage
- two small pockets on arms with drainage
- inside suspenders with handy pocket
- splash-proof bag
