## MASS #210

---

Made of a top-quality, breathable, lightweight and durable fabric, the SANTI Maritime Assault Suit System (MASS) model #210 offers excellent functionality and thermal comfort in all operational conditions. Designed and made to conduct any activities in a harsh operational environment, the suit offers a number of unique options to customize it to meet mission requirements. Recommended to all tactical units and services. Thanks to design the suit enables complete integration with additional tactical equipment e.g. body armour, headwear and hand/foot wear.
