MASS #220

Made of a top-quality, breathable, lightweight and durable fabric, the SANTI Maritime Assault Suit System (MASS) model #220 offers excellent functionality and comfort in all operational conditions. Designed and made to conduct any activities in a maritime environment, the suit offers a number of unique options to customize it to meet mission requirements. The suit is recommended for all types of tactical units and services, especially boat crews and deck personnel. Thanks to design the suit enables complete integration with additional tactical equipment e.g. body armour, headwear and hand/foot wear.

Equipped in standard with:

- plastic zipper with protection flap
- front relief zipper covered by flap
- neck seal made of neoprene with neopren warmer
- neoprene wrist seals
- textile socks
- reinforced material on elbows, knees and buttocks
- arm pocket on left arm, with flap and soft Velcro
- thigh pockets with flaps
- inside suspenders with handy pocket
- splash-proof bag
