

EWAY ENERGY TECHNOLOGY (WUHAN) CO.,LTD

ENERGY STORAGE SOLUTION

COMPANY VISION

- Providing innovative power solution for residential & commercial energy storage projects, serving clients from every part of the world
- Helping customers reduce energy costs
- Decreasing carbon emission
- Achieving win-win situation

COMPANY INTRODUCTION

- Year 2003 Set up in Suzhou, Jiangsu Province, producing Inverters, main market is Europe and the USA;
- Year 2008 Annual sales 10 Million Dollars;
- Year 2013 Start producing and Distributed Power Station;
- Year 2019 Start producing lithium batteries;
- Year 2022, more than 12,000m² branch factory in Hubei, annual sales 20 Million Dollars;
- Year 2023 Set branch in California;
- Year 2024 Warehouse in Europe (France, Austria).

- 12000 Square Meters
- 50MWh Production per Day
- 10 Advanced Assembly Lines
- 200+ Employees
- 70 Million USD Annual Sales
- 8-Years Focus on Energy Storage Battery Industry
- 10-years Experienced Engineer Team

Strategic Partner

Shenzhen Tian-Power Technology Co., Ltd.

- ◆ In 2020-2021, Certified as a national "specialized, sophisticated and innovative. Little Giant" enterprise, as Well-known Brand
- ◆ In 2020-2021, designated by Xiaopeng, Geely, Great Wall, and BAIC
- ◆ In 2019-2020, ranked first in the communication backup power BMS market
- ◆ Two-wheeled shared battery swapping occupies a market position
- ◆ In 2017-2019, introduced domestic and internationally renowned vacuum cleaner brands such as Lake and TTI
- ◆ In 2014-2015, it officially entered the Huawei supply chain system and delivered in batches

Core supply chain security

BATTERY CELL PARTNERS

GOTION

No.1 in sales of battery cell
in China

EVE

Long-established battery
cell manufacturer

REPT

New battery cell
manufacturer with good
reputation

TIANNENG

Famous for Lead-acid
battery and No.1 sales in
battery fields around the
world, with strong capital

Patents and Certificates

- ◆ Since 2022, won National High-tech Enterprise Certification
- ◆ Year 2018, Passed the certification of Guangdong Province High Reliability Lithium Battery Management System Engineering Technology Center

Obtained more than 100 invention patent certificates, utility model certificates, software copyright certificates, and appearance patents.

Strategic Partner

TIANENG BATTERY GROUP. CO.,LTD.

- ◆ Founded in 1986, headquartered in Huzhou.
- ◆ It has more than 100 subsidiaries and over 30,000 employees.
- ◆ Sales to exceed 30 billion Dollars in 2022
- ◆ Leading and participating in the formulation and revision of 17 national and industry standards
- ◆ Obtained more than 4,800 national patents

The industry's first "A+H" dual-listed brand

2007 2021
00819.hk 688819.sh
行业首家"A+H"双上市品牌

◀ 2007年6月
天能以“中国动力电池第一股”
在香港主板成功上市

2021年1月 ▶
在上海证交所科创板挂牌上市
