nutritious meals

Meet our **novelty**,
dried DogDoc food

A few words about us

More than 10 years of experience in manufacturing natural dog treats.

Since 2015, we have specialized in drying and producing high-quality treats, delivered to customers in Poland and Europe.

Modern production and full quality control.

We have our own production facility, modern technologies and full supervision of each stage - from raw materials to the finished product.

DogDoc – a new premium brand for dogs

In 2025, we created DogDoc - an innovative line of wholesome foods and treats based on natural ingredients and superfoods.

Dried DogDoc Food

- Dried at 40°C.
- Composition is 75% meat, including 60% muscle meat.
- Monoprotein packet content- only one protein source in all four formulas.
- Zero grain, fillers, preservatives, artificial colors.
- High-quality health-promoting supplements.
- Quick way of preparation.
- Product made in Poland.

PEŁNOWARTOŚCIOWY POSIŁEK

DLA TWOJEGO PSIAKA

The composition of the food was composed so as to provide your dog with a nutritious and complete meal.
