

**AUTO  
PODLASIE  
PRODUKCJA  
SPECJALNA**

**AUTO PODLASIE Sp. z o. o.** is a company with **25 years of tradition**. The origins of the company are related to the establishment of a Toyota showroom in Siedlce in 2000. The company developed dynamically over the following years and today it boasts five Toyota vehicle showrooms: Siedlce, Łódź, Biała Podlaska, Bełchatów and Jaso.

Regardless of the above-mentioned activities, for years it has been developing special production of its own vehicles dedicated to the Armed Forces and uniformed services, such as: vehicles for aeromobile troops, high-mobility trucks and passenger vehicles in the armored version and others. We provide specialized bodies and support in the field of warranty and post-warranty services. In the field of special production, we cooperate closely with AP Solutions Sp. z o. o.

We also provide a full range of financial services related to the purchase and operation of vehicles.

We pride ourselves on holding the ISO 14001 Environmental Management System certification and the ISO 9001:2015 certification in the areas of service activities, commercial activities including tenders, and the design, production, and modernization of motor vehicles along with the sale of finished products. We hold the MSWiA License No. B-012/2022 for the manufacture and trade of military or police-purpose products. We consistently pass the TSM (Toyota Customer Service Management) certification. Our high annual vehicle sales give us a strong market position.

In terms of vehicle servicing, we can count on the trust of our customers – we have consistently ranked among the top positions in rankings for many years.

**Auto Podlasie is the only distributor Rescue Trailer in Poland.**

See what vehicle modifications Auto Podlasie can perform for the fire brigade.

Our offer also includes many more reconstruction options.

# FIRE RESCUE TRAILERS

TAKING YOUR MISSION OFFROAD  
THE NEW GENERATION OF TRAILERS

MODIFICATION FOR CITY EMERGENCY SERVICES  
WILDFIRES AND INDUSTRY

## RESCUE TRAILERS FOR ALL SCENARIOS

### WITH FOLDING ROOF

- CBRN
- base for crew
- dormitory
