

## WinDoGlass Innovation

The International Fenestration  
Products and Glass Expo

**25-26.09.2026**

Targi Kielce

## WinDoGlass – the trade fair that unites the industry!

WinDoGlass Innovation is an event that **truly supports business growth** – it offers space for product launches, discussions with decision-makers, and building long-lasting business relationships.

## Why is it worth taking part?

### Showcasing innovations and product premieres

present groundbreaking solutions that shape the future of the industry.

### Prestige & brand visibility

strengthen your market position and increase recognition in an international arena.

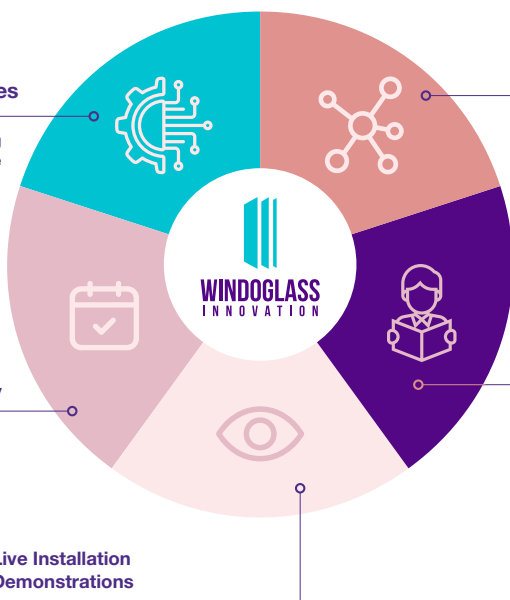

### Live Installation Demonstrations

### Hosted Buyers Program

connect directly with key decision-makers and expand your business opportunities.

### Knowledge & inspiration

gain fresh insights, discover trends and learn from experts.

**We are shaping the future of windows, doors and glass – be a part of it!**

## Who are we creating the event for?

WinDoGlass presents the full spectrum of solutions for the windows and glass sector – from innovative materials and installation technologies to intelligent systems of the future.

### Exhibitors:

- Manufacturers of profiles, windows, doors, gates and shutters
- Suppliers of components, automation and smart home technologies

### Visitors:

- Installers and contractors
- Architects, designers, developers
- Distributors and retail chains
